RE: OSDF Restoration Borrow Area

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) grading plan for accelerated restoration of the On-Site Disposal Facility (OSDF) borrow area.

U.S. EPA has reviewed the document and U.S. DOE's responses to the Ohio Environmental Protection Agency and U.S. Fish and Wildlife Agency comments. The document appears technically adequate.

Therefore, U.S. EPA approves the OSDF borrow area grading plan.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
Federal Facilities Section
SFD Remedial Response Branch #2
